**Module FCC Statement**

Axiomatic Technologies Corporation declares under our sole responsibility that the above-mentioned product complies with Part 15, Subpart B, Class A – Unintentional Radiators, of the FCC Rules.

Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

CAUTION
FCC RF Radiation Exposure Statement:
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20 cm between the radiator and your body.

***I, the undersigned, hereby declare that the equipment specified above conforms to the above Directive and Standards.***
