

## REACH and RoHS Compliance Statement

At Axiomatic Technologies Corp., we are committed to environmental responsibility and compliance with all relevant regulations, including REACH (Registration, Evaluation, Authorization, and Restriction of Chemicals, Regulation (EC) No 1907/1006) and RoHS (Restriction of Hazardous Substance Directive 2011/65/EU and its amendments, including Delegated Directive 2015/863/EU).

### Our Commitment to Compliance

REACH is a regulation of the European Union aimed at improving the protection of human health and the environment from the risks that can be posed by chemicals. Similarly, RoHS restricts the use of specific hazardous chemicals found in electrical and electronic products. Compliance with these regulations is critical for global market access and customer trust.

### Supplier Collaboration

Our Supplier play a vital role in helping us achieve and maintain compliance with these regulations. We rely on the accurate and timely provision of compliance information from our suppliers to ensure that our products meet all legal and regulatory requirements. This collaborative effort is essential in maintaining the integrity of our supply chain and the safety of our products.

### Information Required from Suppliers

We request that all our suppliers complete the REACH and RoHS compliance templates provided and submit them to us promptly. These templates are designed to gather detailed information about the substances used in your products, which is crucial for our records and for any necessary reporting to regulatory bodies.

### How to Submit Your Information

Please download and fill out the REACH and RoHS compliance templates on our website at <https://www.axiomatic.com/suppliers/>. Once completed. Submit these forms to us at [sales@axiomatic.com](mailto:sales@axiomatic.com). Our Compliance team is available to assist with any questions you may have during this process, ensuring the accuracy and completeness of the information you provide.

### Contact Us
